

# NHV Group – AW139 Co-Pilot

## Job summary

Are you an experienced **AW139 Co-Pilot** ready to operate in a professional offshore environment?

At our Den Helder base, you will perform scheduled shuttle flights supporting offshore Oil & Gas operations, ensuring the highest standards of safety, efficiency and customer service. You will operate in a highly structured and safety-driven environment where professionalism and teamwork are essential.

**Please note:** Due to operational requirements, candidates must reside within reasonable commuting distance of the Den Helder base.

## Your Role

As an AW139 Co-Pilot, you are responsible for executing flights in the safest and most cost-effective manner, in full compliance with aviation regulations, company procedures and operational standards.

## What You'll Be Doing

### Flight Preparation & Execution

- Execute flights in accordance with SOPs, limitations and performance requirements
- Assisting the pilot-in-command with administrative flight duties
- Understanding the client's business & needs, under the decision and supervision of the Chief Pilot

### Compliance & Professional Standards

- Maintain full familiarity with national and international aviation legislation, agreed aviation practices and local procedures
- Operate in accordance with the Operations Manual, FOM, FOIs and company procedures
- Respect company policies including Code of Conduct, Safety, Quality and Drugs & Alcohol policies
- Support the pilot-in-command in maintaining a proper standard of crew discipline, conduct and personal appearance

### Offshore & Team Responsibilities

- Act responsible to the pilot-in-command in assisting to conduct an efficient flight
- Support offshore Oil & Gas operations as assigned by the Chief Pilot
- Remain flexible for operational needs
- Lead by example and promote team spirit
- Adapt to local culture, environment and client needs

## What You Bring

### Qualifications

- **EASA CPL(H) License** - *mandatory*
- UK CPL(H) License - *desirable*
- **EASA Class 1 Medical** - *mandatory*
- UK CAA Class 1 Medical - *desirable*
- **Multi-Engine Instrument Rating** - *mandatory*
- **AW139 Type Rating**
- English Proficiency Level 4

**Total expected flight hours:**

- Min. 500 hours total flight time on helicopters
- Min. 500 hours Multi-engine helicopter

**Competencies**

- Strong ICT skills (aviation software & administrative systems)
- Dutch language skills (preferred but not mandatory)
- Safety-first mindset
- Professional, customer-oriented attitude
- Flexible and operationally resilient (e.g. for double crewing, standby storm duties ...)
- Team player
- Living within commuting distance of Den Helder

## What we offer

### Join the Thrilling World of Aviation

Become part of an international helicopter services company that combines a youthful mindset with over 25 years of industry expertise. We operate in a highly professional offshore environment where teamwork, safety and technical precision are paramount.

### What We Offer

- Permanent (indefinite) contract
- Competitive salary package
- 14 days ON / 14 days OFF roster
- 183 duties per year
- Early/Late shift pattern
- A professional and experienced offshore aviation team

If you are an AW139-rated co-pilot who thrives in structured offshore operations and takes pride in delivering safe, precise and customer-focused flights — and you are locally based near Den Helder — we would love to hear from you!
