

## NHV Group – H160 Pilot

### Job summary

Are you an experienced **H160 Pilot** ready to operate in a professional offshore environment?

At our Den Helder base, you will perform scheduled shuttle flights supporting offshore Oil & Gas operations, ensuring the highest standards of safety, efficiency and customer service. You will operate in a highly structured and safety-driven environment where professionalism and teamwork are essential.

**Please note:** Due to operational requirements, candidates must reside within reasonable commuting distance of the Den Helder base. Travel and accommodation is not provided by the company.

### Your Role

As an H160 Pilot, you are responsible for executing flights in the safest and most cost-effective manner, in full compliance with aviation regulations, company procedures and operational standards.

You report to the Chief Pilot and play a key role in representing the company towards our offshore clients.

### What You'll Be Doing

#### Flight Preparation & Execution

- Perform full technical preparation of flights (route planning, fuel calculations, aircraft inspection)
- Execute flights in accordance with SOPs, limitations and performance requirements of the H160
- Ensure all aircraft safety systems are fully operational
- Complete accurate pre- and post-flight administration
- Report any incidents, defects or irregularities

#### Compliance & Professional Standards

- Maintain full familiarity with national and international aviation legislation
- Operate in accordance with the Operations Manual, FOM, FOIs and company procedures
- Respect company policies including Safety, Quality and Drugs & Alcohol policies
- Maintain high standards of crew discipline, conduct and personal appearance

#### Offshore & Team Responsibilities

- Support offshore Oil & Gas operations as assigned by the Chief Pilot
- Remain flexible for operational needs (e.g. double crewing, standby storm duties)
- Demonstrate strong customer service awareness
- Lead by example and promote team spirit
- Adapt to local culture, environment and client needs

# What You Bring

## Mandatory Requirements

- EASA ATPL(H)
- Valid EASA Class 1 Medical
- Valid EASA IFR (H) Multi Engine
- H160 Type Rating (mandatory)
- ICAO English Proficiency Level 4 minimum

## Additional Assets

- Dutch language skills (preferred but not mandatory)
- Experience in offshore Oil & Gas operations
- Strong ICT skills (aviation software & administrative systems)

## Competencies

- Safety-first mindset
- Strong decision-making skills
- Professional, customer-oriented attitude
- Flexible and operationally resilient
- Team player with leadership presence
- Living within commuting distance of Den Helder

# What we offer

## Join the Thrilling World of Aviation

Become part of an international helicopter services company that combines a youthful mindset with over 25 years of industry expertise. We operate in a highly professional offshore environment where teamwork, safety and technical precision are paramount.

## What We Offer

- Permanent (indefinite) contract
- Competitive salary package
- 14 days ON / 14 days OFF roster
- 183 duties per year
- Early/Late shift pattern
- A professional and experienced offshore aviation team

If you are an H160-rated pilot who thrives in structured offshore operations and takes pride in delivering safe, precise and customer-focused flights — and you are locally based near Den Helder — we would love to hear from you.
