

NHV Group – Helicopter mechanic - Lanvéoc

As a Mechanic at our base in Lanvéoc, you'll join a small but highly skilled and enthusiast team, committed to excellence.

Responsibilities & areas

- Maintenance tasks on aircraft and components in accordance with issued work orders, applicable manuals, and approved maintenance data.
- Carry out activities such as:
 - Disassembly & reassembly
 - Rectify defects
 - Component replacements and system adjustments
- Ensure all safety regulations and procedures are followed at all times;
- Immediately report safety hazards or mandatory occurrences via the NHV occurrence reporting system;
- Follow all MOE procedures and notify the Chief Engineer/Maintenance Lead if instructions or processes are unclear, incomplete, or ambiguous;
- Record all performed maintenance accurately and clearly in the work file;
- Raise defect entries or non-routine tasks for any findings discovered during inspections;
- Support Licensed Engineers during troubleshooting and functional checks;
- Maintain a clean, safe, and organized working environment, including proper care of tools and ground equipment;
- Contribute to a flexible and efficient planning;
- Help ensure that planned maintenance is completed within appropriate timeframes to support operational needs.

Skills & Experience

At NHV, we are dedicated to deliver excellence in the helicopter world.

With a commitment to safety, innovation, and customer centricity, we provide reliable services that support a wide range of missions.

We expect you to contribute to this level of service and trust that you will bring the following competencies to strengthen the team:

- Good communication skills to work together with direct colleagues, store keepers, CAMO engineers, etc. and for handover work;
- Demonstrated experience in base and line maintenance operations;
- Strong understanding of EASA regulations and safety protocols;

- Accuracy and reliability;
- Flexibility;
- Easily combine working in a team and the ability to work independently.

Languages:

- English & French: fluent, professional level (speaking, reading, writing);

Only candidates who meet the legal right to live and work in France will be considered for this position.

What we offer

Step into an exciting career in an international helicopter services company that combines a youthful spirit with over 25 years of industry expertise.

When you join our team, you can count on a permanent (indefinite) contract and a competitive salary package, supplemented with meal & gift vouchers, etc.
